

TRINITY HOSE HOBBLE STRAP

Protect People, Property and Profits on the Pad with Trinity Sling's Hose Hobbles

Trinity's Hose Hobbles Are:

- Made from strong, durable polyester webbing
- Designed for easy use on water, hydraulic and pneumatic hoses.
- Available in Various Standard Lengths
- Designed to fit hoses with inside diameters from 1/4" to 6"
- Easily Adjustable

Trinity's Hose Hobbles satisfy the requirements for restraining hose connections mandated by the following workplace safety organizations:

- OSHA
- Canada OHS
- WorkSafe BC

OSHA 1926.603(A)(10)

“Safety chains, or equivalent means, shall be provided for each hose connection to prevent the line from thrashing around in case the coupling becomes disconnected.”
